**Re: Border Patrol Contact - January
2021**

Date: February 1, 2021

Communications commenced tracking Department requests for Border Patrol response effective March 1, 2018. The tracking of data included the following categories:

- **Nature** of the request
- **Results** of the request
- **How** the request was **received**
- Was the request **Stonegarden related?**
- **Badge number** of the involved communications staff
- **Date and time** of the call to (from) Border Patrol

For the month of January 2021, there were 30 documented occasions of contact with Border Patrol, either made through or initiated by the Pima County Sheriff's Department.

- The Department fielded 26 calls from 26 unique phone numbers involving lost persons. Those were from remote areas of Pima County and all were transferred to BORSTAR (Border Patrol Search, Trauma, and Rescue) per standard protocol.
- We received 3 citizen reports of suspected UDAs (undocumented aliens) or suspicious activity/vehicles involving suspected UDAs.
- Deputies made 1 request to Border Patrol for their assistance with issues other than UDAs. A sergeant requested BP respond to a report of found property (ammo box and tarp) in a remote area. BP declined response.

This data includes tracking efforts from both the Tucson and Ajo Communications Centers.

Please advise me if further information or clarification is required.
