Narrative:

On 02/07/2026 at approximately 1028 hours, I, Officer A. CRUZ #1167, was in a department issued uniform, and my body-worn camera was activated and recorded the incident. While patrolling the 1400 Block of North Main Street, I observed a male subject possibly drinking in public.

I observed a male subject wearing a black hat, a black t-shirt, and black shorts, holding what appeared to be a standard 16-ounce aluminum beverage can, concealed inside a brown paper bag, and drinking from it.

Based on my training and experience, individuals often conceal alcoholic beverages inside brown paper bags in public settings to avoid detection.

The male subject was standing in front of Quality Market, located at 1485 North Main Street. When the male subject observed my fully marked patrol vehicle #5799, he began walking in the opposite direction, toward the back of the store on the east side, which leads to an alleyway.

I then decided to conduct a field interview on the subject and drove to the alleyway. The male subject then started walking away, to the front of the store on the west side. I exited my patrol vehicle and caught up to the subject at the entrance to Maytag Laundry, located next to Quality Market.

I contacted the male subject, later identified as [redacted] with a date of birth of [redacted]. I then asked [redacted] if he would walk with me outside the coin laundry shop, to which he agreed.

I then introduced myself to [redacted] as an Officer from the San Luis Police Department. I then asked [redacted] about the item he was holding in his hands. [redacted] responded that he was not holding anything.

At the same time [redacted] answered that he was not holding anything, he pointed to a nearby trash can. Inside the trash can was an open 16-ounce Budweiser beer can that was concealed in a brown paper bag. Field Training Officer H. Perez #878 had previously removed the Budweiser beer can from the trash can while I was making my initial contact with [redacted] and placed it on top of a newspaper dispenser.

[redacted] then admitted that the object he was holding was the Budweiser beer can, which was recovered from the trash can.

I then asked [redacted] for an identification, and he stated he did not have one. [redacted] then verbally identified himself as [redacted] with a date of birth of [redacted]. I then asked [redacted] if his name was [redacted] while I was writing down his information on my notepad, and he said yes.

I then grabbed the Budweiser beer can and noticed it was half full and cold to the touch. I then asked [redacted] to walk with me to the south side of the building to avoid pedestrian traffic entering the store.

I then conducted an inquiry through dispatch with the information [redacted] provided, and dispatch informed me that no record was found for [redacted] with DOB [redacted].

FTO H. PEREZ #878 asked [redacted] where he was from, and he answered that he was born in California.

I then asked [redacted] if he had any form of identification with his photograph. [redacted] gave me a work identification card and a Social Security card from his wallet.

While handing me the work identification card and Social Security card, [redacted] hesitated and did not immediately release the Social Security Card. [redacted] instead decided to verbally provide his Social Security number.

FTO H. PEREZ #878 then asked [redacted] to hand over the Social Security Card, which [redacted] did. FTO H. PEREZ #878 asked [redacted] where he obtained his Social Security card, and [redacted] stated it was given to him for work purposes. FTO H. PEREZ #878 then asked [redacted] if the Social Security card was fake, and [redacted] did not respond.

COPY RELEASE TO GENESIS LARA

At approximately 1035 hours, [redacted] was placed in handcuffs, and he was informed that he was detained. [redacted] was then escorted to the east side of Quality Market, where my patrol vehicle was located.

At approximately 1043 hours, I told [redacted] he would be arrested for providing a counterfeit document.

While conducting a search incident to arrest, a counterfeit United States of America Permanent Resident Card was located inside [redacted] wallet. Both documents had the name [redacted] and appeared to be counterfeit due to the material used. I noticed that on the Permanent Resident Card, the date of birth was printed as [redacted], which differed from the one verbally provided by [redacted]

Because no record was found with dispatch, and [redacted] had counterfeit documents, he was transported to the San Luis Police Department for further investigation.

Upon arrival at the San Luis Police Department, I used the AFIS tablet to identify [redacted] I then photographed [redacted] and collected his fingerprints. I was later informed by the Arizona Department of Public Safety (AZ DPS) that the biometrics and photographs entered had no record.

The United States Border Patrol was contacted through their duty desk, and an agent responded to the San Luis Police Department.

At approximately 1215 hours, U.S. Border Patrol Agent T. JOSEPH #Y125 arrived at the San Luis Police Department.

At approximately 1222 hours, Agent T. JOSEPH #Y125 confirmed that [redacted] provided a fraudulent U.S. Permanent Resident Card. Per Agent T. JOSEPH #Y125, the USCIS number on [redacted] document came back to another person.

At approximately 1227 hours, Agent T. JOSEPH #Y125 and I contacted [redacted] in the holding cells area. Agent T. JOSEPH #Y125 then asked [redacted] for his real name. [redacted] responded by providing his true name as [redacted]. Agent T. JOSEPH #Y125 then asked [redacted] if this was the same information he had previously given to me. [redacted] replied that it was not. Agent T. JOSEPH #Y125 then asked [redacted] what his citizenship and he answered Mexican.

Agent T. JOSEPH #Y125 asked [redacted] how he entered the United States [redacted] responded that he came to the United States on a work visa approximately five years ago.

Agent T. JOSEPH #Y125 then questioned [redacted] regarding the fraudulent documents on his possession. [redacted] admitted to purchasing the documents in California for $25.

COPY RELEASE TO GENESIS LARA

Agent T. JOSEPH #Y125 then conducted a facial recognition scan on [redacted] which resulted in a positive match for a visa holder. The results confirmed [redacted] identity as [redacted] and indicated that his work visa had expired on 06/20/2021.

At approximately 1317 hours, I read [redacted] his legal rights per Miranda warnings in the Spanish language per his request. [redacted] stated he understood his rights and agreed to answer my questions.

During my interview with [redacted] I asked him for his full name, and he identified himself as [redacted] I asked [redacted] for his place of birth, and he stated he was born in Chiapas, Mexico.

Agent T. JOSEPH #Y125 faxed the San Luis Police Department a Department of Homeland Security Immigration Detainer - Notice of Action. The Immigration Detainer was attached to the booking sheets and was later provided to the Yuma County Detention Center.

At about 1330 hours, I received a phone call from Deportation Officer M. NABITY #11467, with the Immigration and Customs Enforcement Agency.

Deportation Officer M. NABITY #11467 conducted an immigration interview with [redacted] via phone.

Deportation Officer M. NABITY #11467 then provided me with a U.S. Department of Homeland Security Warrant for the Arrest of an Alien via e-mail. The Warrant for Arrest was attached to the booking sheets and was later provided to the Yuma County Detention Center.

[redacted] was later booked into the Yuma County Detention Center for the following criminal charges:

- **Arizona Revised Statute 13-2008A (F) Taking the identity of another person or entity**
- **Arizona Revised Statute 13-2002A2 (F) Forgery**
- **Arizona Revised Statute 13-2907.01 (M) False reporting to law enforcement agencies**

At approximately 1700 hours, I entered the counterfeit Social Security card and the counterfeit U. S. Permanent Resident card into the evidence section, locker number #15, under evidence tag number (19627) as item (01) and tag number (19628) as item (02).

This concludes my investigation and involvement in this case. All video recordings were uploaded to the evidence.com database. All photographs were submitted to the LERMS system.
