Narrative: On Thursday, January 29, 2026, at approximately 1845 hours, the Santa Cruz County Sheriff's Office (SCCSO) Communications Division dispatched me to the Patagonia town area, in Patagonia, Arizona. The call for service was in reference to the Sonoita Sector United States Border Patrol (USBP) advising they had a vehicle fail to stop for them.

Prior to my arrival, I made telephonic contact with USBP and asked them for a better location. USBP informed me they were traveling on Harshaw Road, approaching the town of Patagonia. USBP also advised they had successfully spiked the vehicle, which they described as a Red Jeep Wrangler bearing Arizona License Plate [redacted]. I relayed the information the SCCSO Communications Division.

Subsequently, I arrived in Patagonia and proceeded towards Harshaw Avenue area. While providing security checks, I observed a Red Jeep, traveling northbound on Harshaw Avenue at an excessive speed, approaching Cross Creek Road.

Upon observation of the speeding vehicle, I estimated the vehicle traveling at approximately 40 miles per hour (MPH). Utilizing my Eagle 3 radar, I confirmed the vehicle traveling at 41 MPH in a marked 25 MPH zone.
I immediately conducted a U-turn and began to follow the above-mentioned vehicle to conduct a traffic stop. While following behind the Red Jeep Wrangler, I confirmed it to be bearing Arizona License Plate [redacted]

I activated red and blue lights from my fully marked patrol vehicle. The vehicle came to a complete stop on Harshaw Avenue before Duquesne Avenue. Thereafter, Sonoita USBP arrived at my traffic stop to assist.

I exited my vehicle and proceeded to make contact with the driver of the vehicle, who was later identified with his Arizona Driver's License as [redacted] I identified myself to [redacted] and informed him I pulled him over for traveling 41 MPH in a marked 25 MPH zone. While speaking to [redacted] I observed several subjects hiding and laying down in the back seat and trunk area of the Jeep.

Sonoita USBP assisted with detaining the other subjects, while I detained [redacted] I escorted [redacted] back to my patrol unit and informed our communications division about the incident.

Thereafter, I administered a records check on [redacted] and his vehicle. The records check indicated he had no active warrants, a valid Arizona Driver's License, and an expired vehicle registration.

Sonoita USBP took custody of all six subjects that were inside of the vehicle due to the subjects being undocumented foreign nationals. USBP also took custody of [redacted] and his vehicle.

I issued a civil citation to [redacted] with above mentioned traffic and registration infractions. The citation was served at approximately 2009 hours, at the Sonoita USBP Station located at 3225 Highway 82, in Sonoita, Arizona.

Nothing further to report.

SYNOPSIS: This report documents the discovery of one undocumented Mexican national that was located in the area of kilometer 21, northbound of interstate 19 in Rio Rico, Arizona. The incident occurred Wednesday, January 7, 2026 at approximately 0729 hours. Santa Cruz County Sheriff's Office Deputy Alejandra E. Estrada, Badge No. 209, documents the following:

UNDOCUMENTED FOREIGN NATIONALS INFORMATION:
Name: [redacted]
Date of Birth: [redacted]
Address: [redacted]

NARRATIVE: On Wednesday January 7, 2025, at approximately 0729 hours, while patrolling in the area of Rio Rico, Arizona, I located an adult male subject walking northbound on interstate 19, at approximately kilometer mark 20. I was traveling northbound and was not able to immediately stop to check on the male subject.

I made my way back and encountered the male subject at approximately kilometer 21 northbound of interstate 19. I asked him he was ok, to which he stated that his vehicle broke down, adding he was heading to Tucson, Arizona.

I offered him a ride to the nearest access road to the frontage road and explained to him that for his own safety he was not supposed to be walking on the interstate. I asked him for his identification with the purpose of identifying who was I rendering aide to. The male partially took a card from his pants right front pocket, and then immediately tried concealing it, and he said he did not have an identification.

I asked him what was the card he was about to show me, then he took it out and I discovered it was his Mexican identification card. I then asked him if he was legally in the United States to which he stated he was not.

I asked him how long had be been walking he said three days, he asked for some water and I gave him a bottle of water.

I then asked him to get into the rear seat of my fully marked patrol unit, and explained to him that I was going to call Border Patrol, [redacted] stated he understood and without further incident he got into the rear seat of my patrol unit.

[redacted] was turned over to Nogales Border Patrol Agent Serrano, Badge No. N478.

This concludes my involvement in this incident.

Narrative: On November 30, 2025 at approximately 2035 hours Santa Cruz County Communications division broadcasted a call for a missing person at coordinates 31.423881, -111.183630. The reporting party stated that he had been at the coordinates for approximately five hours and had been walking for approximately three days. The reporting party also notified that he was a foreign national.

Upon Arrival, Deputy V. Yubeta badge number 166 and myself arrived at the coordinates provided by [redacted]. He was approximately eight meters in radius from the coordinates. Deputy Yubeta and myself hiked to the top of a hill in where the coordinates were plotting. I observed that I could see an orange light at the top of the hill and could hear a voice speaking to someone. As we got to the top of the hill I observed a male next to a tree and had started a small fire near him.

I identified the male as [redacted] and I had him turn off the fire as it was not safe due to brush and the type of weed that would catch the whole area on fire. I also put out the fire to prevent any wild fires. I asked [redacted] if he had any injuries and he stated that his left ankle was black and purple. I looked at his ankle and seemed as he had a possible sprain or fracture.

[redacted] was assisted to get up and that he was going to need to walk down the hill as it had a big incline he could not be carried. [redacted] understood and was assisted the whole time to walk down from the hill to get to our marked unit. [redacted] was safety recovered from the coordinates and he was approximately one mile from the forest service road. He was terry frisked for any weapons in which he did not have any weapons with him at the time. [redacted] was placed in my marked unit and was driven out of the area.

United States Border Patrol Nogales Sector was told of the foreign national. We met with agents on forest service road 39 and were advised to meet at the rest area of forest service road 39 and Highway 289 for them to take custody of [redacted] Agent L. Ochoa badge number N208 took custody of [redacted] and was going to transport him to the Holy Cross hospital to get medically checked. I provided agent Ochoa with case number 251130005.

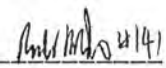

This concludes my involvement with this case.

Narrative:

(Body Worn Camera Activated)

On Monday November 24, 2025 I responded to a report of a suspicious person at the train tracks on Old Tucson Road and South River Road, Nogales, Arizona. Upon arrival, I was provided security checks along Old Tucson Road, when I was advised by the Santa Cruz County Sheriff's Office (SCCSO) Communications Division, that the subject was last seen on the intersection of Noble Road and Old Tucson Road. As I drove to Noble Road, I saw a male subject walking south on Old Tucson Road, wearing a yellow shirt and dark jeans, matching the description of the suspicious subject. I stopped my patrol vehicle facing south next to the entrance of the Zepol Produce warehouse located at [redacted] North Old Tucson Road, Nogales, Arizona.

I identified myself to the male subject and asked him his name and if he needed any assistance. He informed me his name is [redacted] and he was lost and had been walking for a while. I asked him if he needed any medical attention and he said no. I asked [redacted] if he had an Arizona driver's license or identification and he said he only had his Mexican voter credential. I asked him to see his credentials and where he was coming from. [redacted] provided me with his credentials and informed me he was from [redacted] and had been dropped off in the desert. I asked him who dropped him off in the desert and he said he did not know who. I asked him where he lived and he informed me he was not a citizen of the United States of America and had crossed over from Mexico.

I contacted the SCCSO Communications Division and requested United States Border Patrol (USBP) to respond for a foreign national. [redacted] informed me he had been traveling for four days and did not have any food or water. I provided him with a water bottle and asked him for any further documentation. He informed me he only had his birth certificate on his cell phone but it ran out of battery. I asked [redacted] if it was a United States birth certificate and he said no. I waited with [redacted] until USBP Agent I. Vega N238 arrived on scene and took custody of [redacted]

This report documents an agency assist for United States Border Patrol in

detaining a foreign national.

Narrative: On November 23, 2025 at approximately 1400 hours, I conducted a traffic stop in the area of [redacted] in Patagonia.

I was observing traffic, stationary in the area of State Highway 82 and 1st Avenue in Patagonia, Arizona.

Through my driver side mirror I observed a white Hyundai hatchback vehicle traveling eastbound on State Highway 82. I observed the vehicle approaching my location at a high rate speed.

I calculated the vehicle's speed to be approximately 48 miles per hour and my patrol unit rear radar antenna, confirmed that the vehicle was driving at 46 miles per hour. The area where the vehicles was traveling had a posted speed limit of 30 miles per hour.

As the vehicle passed my unit, I pulled into the road, activated my emergency lights to initiate the traffic stop, however the vehicle speeded up instead of stopping.

I was attempting to catch up the vehicle, at that time the vehicle was driving 88 miles per hour. At the intersection of State Highway 82 and San Antonio Road, in Patagonia Arizona, I paced the vehicle and I was able to confirm that the driver was actually driving at 88 miles per hour.

At the intersection of State Highway 82 and Cross Creek Road, the vehicle suddenly turned right and into Cross Creek Road. The emergency lights of my vehicle were still on and the driver was not stopping.

The vehicles came to a shop near the intersection of [redacted] I make contact with the driver, a male juvenile who verbally identified as [redacted] he also provided me with his date of birth, [redacted] and his social security number [redacted]. [redacted] also stated his address was [redacted]

[redacted] stated he did not have a driver license and when I asked him why didn't he stop when I turned on my unit's emergency lights, he said "I didn't saw you". I then asked him why was he driving so fast but he did not answer. I asked [redacted] who was the owner of the vehicle to which he stated the vehicle belonged to his friend.

Inside the vehicle besides [redacted] there were three passengers, an adult male passenger in the front passenger seat and two adult females in the rear seat of the vehicle.

I noticed that the clothing items the females were wearing had multiple mud stains, I asked for identification to which they answered they did not speak English. I then asked them in Spanish for their identifications. The three passengers stated they did not have identifications. I asked from their origin, to which they said "California". I then asked where they were coming from, and they answered "California".

I asked [redacted] who the passengers where to which he said he had no idea.

I requested Border Patrol Agents to respond to my location and it was confirmed that the three passengers where foreign nationals.

Upon searching the passengers for weapons their identifications were discovered concealed in their undergarments waist area.

[redacted] was cited with traffic citation 90625.

Border Patrol Agent J. Lora, Badge No. S210, took custody of the three foreign national passengers and the United States Citizen driver, as well as the vehicle, a 2023 Hyundai Venue.

No additional information to report at this time. This report was documented for informational purpose only.

Narrative: On Sunday, November 23 ,2025, at approximately 2053 hours, while traveling East on State Route 82 in Nogales, Arizona, I observed a copper Hyundai Santa Fe, heading east bound. I observed a paper license plate was unsecured, due to flopping. I then began to head eastbound to catch up to the vehicle. I advised the Santa Cruz County Sheriff's Office Communications Division I would be conducting a traffic stop on the vehicle bearing Arizona temporary license plate [redacted]

I activated my red and blue emergency lights on Highway 82, mile post 8, in Nogales, Arizona. Shortly before activating my emergency lights the vehicle kept going over the fog line on the roadway due to the driver looking at his rear view mirror. The vehicle then pulled over.

I immediately exited my vehicle and made my way towards the driver side window. I made a contact with a male subject who identified himself as [redacted] [redacted]. I informed [redacted] the reason of the traffics stop. I asked [redacted]

for his driver license and documents for his vehicle. [redacted] informed me that he did not have his Driver License with him. I noticed movement in the back of his vehicle, so I asked [redacted] to please roll down the back windows. I then observed two male subjects, and one female subject in the back seat.

The SCCSO Communication's Division advised me the vehicle was reported stolen from the Tucson Police Department. After reconfirming with dispatch, I informed [redacted] to shut off the vehicle and toss the keys outside the door window. I asked [redacted] to tell me what was going on. [redacted] said he had gone to Nogales Arizona to eat at a restaurant. [redacted] said he then went to visit his friend. [redacted] said that they were headed to Tucson Arizona. I asked the female in the back seat to identify herself. She identified herself as [redacted] I asked the male subject sitting in the middle rear seat what his name was. He identified himself as [redacted] I then asked [redacted] if there was anything inside his vehicle I should know about. [redacted] stated, "No sir." I was then advised by dispatch that the vehicle was not stolen but was reported as a "Stored" vehicle.

Based on my experience and training, due to the drivers and passengers statements being inconsistent and the area where the traffic stop was conducted is known for human trafficking, I asked the Communications Division to route Border Patrol to my traffic stop to identify the passengers.

Shortly after, Border Patrol Agent Canto arrived along with other Agents. Border Patrol Agent Canto was informed of the incident and was provided a copy of my citation along with report number. [redacted] was cited for driving with a suspended Driver License.

A total of three undocumented subjects and one vehicle was referred to United States Border Patrol. Two passengers on the rear seat and another one laying under covers in the trunk space. [redacted] had two outstanding warrants from the county of Yuma, that were not extraditable.

This concludes my involvement in the incident.

Narrative: On Saturday, November 15, 2025, at approximately 1517 hours, the US Border Patrol advised of a black Chevrolet Tahoe that failed to yield in Nogales. They continued to pursuit the vehicle and advised it was coming into the town of Patagoina.

I was stationary on Highway 82 by mile post 19, when I observed a black SUV drive past my location at approximately 53 miles per hour, in a posted 30 mile per hour zone.

At this time, I continued to drive eastbound on Highway 82 in attempt to catch up to the vehicle. The vehicle continued and failed to yield. US Border Patrol was set up at mile marker 28 on Highway 82 with a vehicle immobilization device (VID).

The VID deployment was successful deflating two of the four tires. The vehicle then came to a stop at mile marker 29 on Highway 82, where the majority of the occupants attempted to run away. I assisted in apprehending one of the occupants.

Agent Sanders N363 who was on scene, along with other Border Patrol Agents then took custody of the nine possible foreign nationals.

A total of nine possible undocumented subjects, one United States citizen and one vehicle were referred to United States Border Patrol authorities.

Narrative: On September 29, 2025, at approximately 0925 hours, while monitoring traffic on Highway 82 and Kino Springs Drive in Nogales, Arizona, I observed a white in color Nissan Sentra heading east bound. I observed a crack on the front windshield. I then began to head eastbound to catch up to the vehicle. I asked the Santa Cruz County Sheriff's Office Communications Division I would conducting a traffic stop on the vehicle bearing Sonoran plate [redacted]

I activated my red and blue emergency lights on Highway 82 by the Nogales Airport located at 11 Access in Nogales, Arizona. Shortly before activating my emergancy red and blue lights the vehicle kept going over the fog line on the roadway due to the driver looking at his rear view mirror. The vehicle then turned right into the Nogales Airport. The vehicle kept rolling forward approximatly 10 feet until it came to a complete stop.

I immediately exited my vehicle and made my way towards the driver side window. I made a contact with a male subject who identified himself as [redacted]. I asked [redacted] for his driver license and documents for his vehicle. I noticed movement in the back of his vehicle so I asked [redacted] to please roll down the back windows. I then observed three male subjects in the back seat. One male subject who was wearing black over black was laying across the two male subjects sitting down.

I informed [redacted] to shut off the vehicle and put the keys on top of his roof. [redacted] then put the vehicle in drive and back into park. I asked [redacted] again to shut off the vehicle. [redacted] then shut off the vehicle and placed the keys to the vehicle on top of the roof. I asked [redacted] to tell me what was going on. I added that I already knew what was occuring. [redacted] told me to please let them

go because they just want a better life. [redacted] also shared that he had picked up the other passengers in the vehicle in Nogales, Arizona and was on there way to Phoenix, Arizona.

I asked [redacted] to step outside the vehicle. I then detained him and escorted him to the back of my fully marked patrol unit. I told everyone inside the vehicle to keep there hands up. I opened the doors to the back of the Nissan Sentra and placed the child lock safety. I asked the Communications Division to route Border Patrol to my traffic stop.

Shortly after, Nogales Police Officer Yanez and Officer Flores arrived and assited me at my traffic stop. Border Patrol Agent Wan arrived along with other Agents. Border Patrol Agent Wan was informed of the incident and was provided a copy of my citation along with report number. [redacted] was citited for not having prrof of insurance and regestration.

A total of five undocumented subjects and one vehicle was referred to United States Border Patrol.

This concludes my involvement in the incident.

Narrative: On September 25, 2025, at approximately 1005 hours, while monitoring traffic on Highway 82 Mile Marker 27 in Patagonia, Arizona, I observed a maroon in color Honda Accord heading east bound. With my training and experience I observed the vehicle traveling at a high rate of speed. I also noticed the vehicle had a temporary registration plate permit that was unsecured. I asked the Santa Cruz County Sheriff's Office Communications Division to run the temporary registration plate. The Communications Division then informed me the plate came back expired.

I advised the Communications Division I would be conducting a traffic stop on the vehicle. I activated my red and blue emergency lights on Highway 82 by the Sonoita Market located on 3160 State Route 83 in Sonoita, Arizona. The vehicle made an abrupt right turn on to the Sonoita Market parking lot and went across State Route 83 on to the Shell gas station located at [redacted] in Sonoita, Arizona. The vehicle then turned left into a gas pump and came to a complete stop.

A female subject stepped outside the vehicle and began walk towards my patrol unit. I immediately got off my vehicle and ordered the female back inside her vehicle. The female subject informed me she was simply putting gasoline inside her vehicle. I informed the female subject I was conducting a traffic stop. I informed the female subject I needed her driver license. The female subject sat back inside the vehicle and began to fiddle with papers as if she was looking

for something. I noticed the female subject was nervous and did not want to speak with me. I asked the female subject for her driver license, twice in English and once Spanish. The female subject then reached over to get her wallet and pulled out her Arizona Instruction Permit and Arizona Identification card. The Arizona Identification card identified the female subject as [redacted]. At that time, United States Border Patrol Agents arrived at my traffic stop. I asked Ms. [redacted] where she was going and she informed me she was heading to Tucson. I also asked if her passenger was her friend. However, she stayed quite and nodded her head in a up and down movement. I asked Ms. [redacted] to step outside the vehicle so I could talk to her.

I asked Ms. [redacted] how she was related to the passenger. Ms. [redacted] informed me the male subject was her friend. I asked Ms. [redacted] what [redacted]'s last name was. Ms. [redacted] informed me she did not know. I asked Ms. [redacted] to tell me what was going on. Ms. [redacted] informed me she picked up the male subject in Patagonia, Arizona. [redacted] could not provide me specifics where she picked up. Ms. [redacted] informed me she was giving the male subject a ride to Tucson, Arizona. Border Patrol Agent Steven Lazano informed me he would be taking both subjects into custody.

A total of one undocumented subject and one vehicle was referred to United States Border Patrol.

It is to be noted I later went to the United States Border Patrol Station located at 3225 SR-82, in Sonoita, Arizona, to provide Ms. [redacted] a copy of her citation 90687. Ms. [redacted] was cited for no proof of insurance and and Instructor permit violation.

This concludes my involvement in the incident.

I advised the Communications Division I would be conducting a traffic stop on the vehicle. I activated my red and blue emergency lights on Highway 82 by Mile Marker 28. The vehicle began to slow down and came to a complete stop on Highway 82 mile marker 29. I then stepped outside my fully marked patrol vehicle and began to approach the passenger side window.

I then made contact with a male subject who was operating the vehcile. I noticed there was a total of four additional passengers inside the vehcile. United States Border Patrol agents arrived at my traffic stop and appraoched the driver side window. At that moment, I noticed everyone inside the vehicle got nervous and started to look around. I asked the driver for his driver license. The driver immediately handed me his Arizona Driver License as if he had it ready for me. The Arizona Driver License identified the male subject as [redacted] I asked [redacted] for his regestration and insurance. [redacted] then handed me his regestration. However, he did not provide me his insurance.

United States Border Patrol Agents began to question [redacted] on where he was coming from and where he was heading to. [redacted] was asked to shut off his vehicle and step outside. [redacted] then stepped outisde the vehicle and was detained by United States Border Patrol Agents. I stayed with the vehicle and remaining passengers inside the vehicle. Additional Border Patrol Agents arrived and took

out the passengers that were still inside the vehcile. I was then informed by Border Patrol Agents there was three confirmed undocumented foreign nationals inside the vehicle.

I went to my fully marked patrol unit and ran a Wants/Warrants check on [redacted] did not have any pending warrants and possesed a valid driver license. I inssued [redacted] a citation for no proof of insurance and having an expired three day regestraion permit. [redacted] was informed and provided a copy of the ciatation.

A total of four undocumented subject and one vehicle was referred to United States Border Patrol.

This concludes my involvement in the incident.

Narrative: On Sunday, August 10, 2025, at approximately 1400 hours, hours I received a phone call from a Nogales United States Border Patrol (USBP) Intelligence Agent, advising they were driving after a white Chrysler 300 that was travelling eastbound on State Route 82, towards Patagonia, Arizona. The Intelligence agent informed me that the vehicle's occupants were possibly foreign nationals.

Shortly after, while being stationed near the entrance of the Patagonia Highschool, located at [redacted] Naugle Avenue, in Patagonia Arizona. I observed a white Chrysler 300 travelling eastbound on State route 82. The Chrysler was observed speeding in a 35 mile an hour zone, travelling at about 45 miles an hour. I drove off the Patagonia High School entrance and onto State Route 82 Mile Marker 21, towards the Chrysler, that was in front of several vehicles, that were possibly (USBP) unmarked vehicles.

On State Route 82 Mile Marker 25 I was about 100 yards from the vehicle once I had overpassed the vehicles that were behind the Chrysler, and observed the Chrysler continue speeding at about 75 miles an hour to a top speed of 101 miles and hour on a posted 55 mile an hour zone, I then activated my red and blue emergency lights on my fully marked patrol vehicle to conduct a traffic stop, and the Chrysler began to yield to the right shoulder onto a complete stop on State Route 82 Mile marker 26.

It should be mentioned that multiple (USBP) Agents, and under cover agents stopped at the traffic stop scene.

The following is a brief summary of the incident and not verbatim; for further

details refer to the Axon body worn camera footage, which was uploaded into Santacruzcountyaz.evidence.com.

Once the Chrysler was on a complete stop I was able to read the Arizona temporary plate number which was "SLA1V1," due to the temporary plate swinging when the Chrysler was in motion. It was then confirmed that the temporary plate the Chrysler was bearing was on a suspended status for financial responsibility.

I approached the vehicle through the passenger side and made contact with the driver, through the front passenger window. I identified myself and asked the female driver if she spoke English, due to overhearing the driver speaking Spanish before I approached the front passenger window. The driver advised me she knew little English. I told the driver I had pulled her over for excessive speeds, and asked the driver how fast she was going, and if she knew the speed limit; however, the driver did not know. I asked the driver for her driver's license, registration, and insurance. The driver told me she had a Mexican driver's license however advised me she did not have it in her possession. The driver was later identified herself as [redacted]

In the front passenger seat there was a female subject who was later identified with an Arizona paper driver's license as [redacted], who [redacted] had told me was her friend. [redacted] provided me with the vehicle's insurance, and an application for the vehicle registration, adding the vehicle was registered under brother's name, however; she drove the vehicle. In the back seat of the vehicle was a male subject who was later identified with a Mexican voting card as [redacted], who [redacted] had said was her uncle. I then walked towards my patrol vehicle to conduct a wants and warrant check for all the parties involved.

Shortly after, (USBP) Agent E. Naccarra, No. S224, confirmed that [redacted] and [redacted] were undocumented foreign nationals. All the vehicle occupants were then removed from the vehicle and placed in handcuffs by (USBP.)

I then placed [redacted] in the back of my patrol vehicle, where I advised he that I would read her Miranda Rights for further questioning. [redacted] Miranda Rights were read in the Spanish Language, [redacted] understood her rights, and also waived them.

I asked [redacted] why she was driving at an excessive speed. [redacted] informed me that she wanted to see how fast the vehicle drove, adding she was also a sport's car fanatic. I also asked her if she remembered what he speedometer last read, and she did not remember.

I issued [redacted] with a criminal citation for driving at an excessive speed, and a civil citation for not being in possession of her driver's license, provided a date to appear at the Nogales Justice Court. [redacted] signed the citation promising to appear on her court date. [redacted] was told that she may receive mail from the Santa Cruz County Attorney's Office, in reference to her criminal charge.

(USBP) then took custody of [redacted], [redacted], [redacted], and the vehicle. I provided (USBP) with a copy of [redacted]'s citation, and my business card containing the report number, subsequently departing the scene.

Photographs were taken of [redacted], the vehicle involved temporary plate, and my Patrol Units, Number 2378 Radar screen, (Locked speed.) (Refer to the photos uploaded to santacruzcountyaz.evidence.com)

uploaded to santacruzcountyaz.evidence.com)

This concludes my involvement in this matter.

Narrative:
On August 8, 2025 Santa Cruz County communications division dispatched a call for service at the coordinate 31.459500, -111.248100 in Santa Cruz County in reference to a missing person. Deputy Canez Badge No. 155, Deputy Monreal Badge No. 191 and I responded to the coordinates, upon arrival Deputy Monreal located [redacted] on the side of Forest Service Road 39 under a tree. [redacted] admitted he was a foreign national and was traveling with a group of seven until he began to experience exhaustion and dehydration. He stated the group left him under the tree and told him there was water near by. [redacted] said he had been there since last night and had no food or water.

Deputy Monreal began checking [redacted]'s vitals and provided him with some water. I attempted contact with dispatch but was unable to get any signal on the radio. Deputy Canez and I assisted [redacted] into my marked patrol vehicle and began making our way back to Highway 289 while attempting contact with dispatch to the radio.

Deputy Canez was able to contact dispatch and requested Medical and United States border Patrol to meet us at the Pena Blanca campsite off of Highway 289 and Forest Service Road 39. We met with Rio Rico Fire and informed them [redacted] was having difficulty staying awake, and assisted [redacted] onto the ambulance. United States Border Patrol(USBP) Agent E Adams Badge No. N519 arrived and scene and was advised [redacted] was a foreign national that was traveling as part of a group. USBP Agent Adams stated he would be taking custody of [redacted] and would follow Rio Rico Fire to Holy Cross Hospital.

Narrative

Synopsis:

This report documents an Agency Assist to United States Border Patrol, that was reported on July 03, 2025 at approximately 2359 hours, at [redacted] in Rio Rico Arizona Santa Cruz County.

Foreign National:

Name: [redacted]
DOB: [redacted]
Height: 505 Weight: 140
Hair: Blk Eyes: Bro
City/State: [redacted]

Narrative:

On the above-mentioned date and time, I responded to [redacted] in reference to a suspicious person on one of the train cars. I was advised that a male subject was hiding in the fifteenth train car from the end of the train. We provided security checks of the area, and the train was not visible. We contacted Union Pacific and we were advised that the train was stopped near the trainyard.

Myself and Deputy Castaneda Badge No. 144, arrived to the trainyard and provided security checks of the area, along with United States Border Patrol, who were also advised. Deputy Castaneda spoke with the train engineer who told him that the male subject was last seen on the fifteenth train car from the end.

Deputy Castaneda moved to the east side of the train and I remained on the west side and we made our way south searching the train cars. As we approached the end of the train, United States Border Patrol Agents had arrived along with a canine. I was advised that the K-9 had located a male subject that was hiding in one of the train cars.

As I approached the train car, United States Border patrol agent M. Sanchez N-647 had one foreign national in his custody. The subject identified himself as [redacted] using his Mexican voter registration card. The agent took custody of [redacted] no further action was taken.

Call Card
Narrative: On June 19, 2025, at approximately 1810 hours, I proceeded to a call for service involving a deceased person. United States Border Patrol (USBP) had called and reported that they had located a deceased foreign national. USBP advised it looked like if the subject had fallen from a hill and advised they were on scene. USBP advised a unit will be waiting at the Arivaca split to escort the deputy.
I proceeded from Patagonia to the Sheriff's Office and picked up a basket and other extraction equipment needed and made my way to Arivaca, where I would meet with USBP Agent Overholt B100. Deputy Rivas #172 and Deputy Castillo #167 also proceeded to Arivaca. We later met with Agent Overholt, who informed us we could ride with him in his UTV, due to the harsh terrain in the area. Later on we arrived to the area where USBP agents were staged with their units, which was near the area where the decedent was located.

USBP had two foreign nationals in custody and they were later identified as [redacted] and [redacted] and [redacted] were then interviewed by Deputy Castillo in my presence. (Refer to his supplemental report)

[redacted] stated that he and his cousin [redacted] were very tired and could not walk and were falling behind. He said there were two guides and a total of five migrants, the other three were in the front with a guide. He added the other guide stayed behind with him and [redacted] added that after going up a mountain, they rested and they later started walking down. On there way down, they encountered two migrants from the other group. He referred to them as the "Poblanos," since he did not know their names. [redacted] said that the other migrant was holding the injured person, referring to [redacted] who was breathing heavily and on the ground.

[redacted] said he was able to give them a cloth soaked in alcohol and had to throw it to them, since the guide was telling him to hurry up and keep walking down. [redacted] said that when they were down from the mountain they told the guide they could not keep going anymore and remained there. The guide kept insisting them to keep going, but he and [redacted] stayed to rest. [redacted] said the guide left telling them it was not his responsibility.

[redacted] said they rested approximately twenty minutes and then [redacted] went up to where the injured person was. [redacted] said that [redacted] told him the injured subject was not breathing. [redacted] stated that he told [redacted] they would walk to look for help. He then said they were found by a helicopter and later by agents and they informed them of the injured on top of the mountain.

[redacted] said he saw that [redacted] had an injury on his chest (peeled). He stated that the accident had already happened, but were told that [redacted] had fainted and fell down, rolled, losing consciousness.

[redacted] then spoke to Deputy Castillo as well. [redacted] said they could not walk anymore, referring to him and [redacted] and the other group was in front of them with one guide. He said that a second guide was waiting for him and [redacted] He

said they went up a mountain and rested and after descending they saw a subject on the ground, referring to [redacted] said that the other migrant was holding him trying to help him. He stated that the guide who was with him would tell him and [redacted] to keep descending. He said that his cousin [redacted] sat briefly and provided a cloth with alcohol for the injured migrant.

[redacted] said that they went down the mountain and decided to stay there due to not being able to walk anymore. [redacted] said the guide asked them if they would keep going and they did not, so the guide left them. He said they rested and later on he went back to assist the two migrants. [redacted] said that [redacted] was very injured. He said that [redacted] had said that [redacted] had fainted and fell by some rocks. [redacted] offered to help get [redacted] down but he was too heavy. [redacted] said that [redacted] then started vomiting and then passed. He stated that he called [redacted] to climb up and they then assisted in moving [redacted] to a shade.

[redacted] said that he and [redacted] then went down the mountain to look for help. [redacted] also said that he did see the injury on [redacted] chest and also on his head, which was turning purple. He also checked for pulse but [redacted] was already unresponsive with no pulse. He and [redacted] were later apprehended by USBP agents and informed them of the situation. The interview was concluded.

Shortly after, Agent Overholt took us to were the body was located. We hiked the mountain and later met with several USBP agents who were waiting for us. Deputy Castillo spoke to the uncle of the decedent, [redacted] and took scene photographs as well. The body was placed in a white body bag and agents assisted us in hiking up with the body to the staging area. While hiking to the staging area, I spoke briefly with [redacted] who said that he and his nephew [redacted] were very tired and exhausted. He stated that his nephew had fallen due feeling sick.

Upon arrival to the staging area, the body was then placed in one of the USBP pickup trucks. We then proceeded to exit 48 by Dollar General along with Agent Palomares who had the body in his truck. We met with Martinez Funeral Service employee [redacted] who was waiting for us.

I spoke with [redacted] who informed me he had the decedents wallet and also his money, which was approximately 6,450 Pesos. The decedents cellphone and wallet with the money was also placed inside the body bag, which was also sealed at that time. [redacted] provided a phone number for the decedent's father, [redacted] He also stated he would inform his family as well once he was allowed to make a call by agents. I then departed from the location after the body was turned over to Martinez Funeral.

The Office of the Medical Examiner in Pima County was later contacted. I spoke with Selina Herrera #19 and all the pertinent information was provided to her. Scene photographs were also sent to her via text.

The following day, I made contact with the Mexican Consulate in Nogales Arizona and spoke to [redacted]. I provided him with the information and also informed him that [redacted] had provided me with a telephone number for [redacted]'s father.

I also received a call from Agent Ashley Corbette, who informed me on June 22, 2025, the guide who was with the above foreign nationals had been apprehended. She provided the name as [redacted] and wanted to know if we needed to interview him. I informed her I would pass the information to my supervisor in case they needed to contact and interview the subject. This information was relayed to Detective Jose Musquiz #102, who was on call when I received the

call.

Contact was made with Agent Corbette again on June 28, 2025 to confirm the correct information on [redacted] and [redacted].

Narrative: On Saturday, June 7, 2025, at approximately 1730 hours, I received a phone call from the Santa Cruz County Sheriff's Office (SCCSO), Sergeant A. Pacheco, Badge No. 158, requesting to assist in locating an undocumented foreign national who had called 911 for assistance, who identified himself as [redacted]

At approximately 1830 hours, I arrived at the SCCSO substation number one, located at 275 Rio Rico Drive, in Rio Rico, Arizona, where I met with SCCSO Deputy A. Cirerol, Badge No. 1087, and SCCSO Search and Rescue Volunteer F. Lopez, Badge No. S27, who were going to assist in locating [redacted]

The foreign national phone call was pinging near the Global Positioning Coordinates 31.390471, -111.007168, which was in the area of Forest Service Roads off [redacted].

At approximately 1905 hours, the above-stated units arrived at the scene, where multiple Nogales Sector Border Patrol Agents were in the above-stated area searching for [redacted]

At 2017 hours, Border Patrol advised that they had located [redacted] on Forest Service Road [redacted] who was complaining of pain in his left ankle and dehydration.

Rio Rico Fire Department responded to the area to assess [redacted], who was later transported to the Holy Cross Hospital in Nogales, Arizona, escorted by Border Patrol, who took custody of [redacted]

Let it be noted, that a wants and warrants check was conducted on [redacted] which returned negative with any outstanding warrants.

Units then departed the area.

Narrative

Synopsis: This report documents an agency assist, that occurred on State Highway 82-mile post 12 by Patagonia Lake Road in Nogales, Arizona. The incident occurred on June 19, 2025, at approximately 2033 hours. Santa Cruz County Sheriff's Office Deputy B. Norzagaray #181 reports the following:

Driver:
[redacted]
Date of Birth: [redacted]
Height: 5'04" Weight: 125 Eyes: Green Hair: Red
Social Security Number: [redacted]
Arizona Identification Number: [redacted]
Address: [redacted]

Subject referred:
[redacted]
Date of Birth: [redacted]

United States Border Patrol Personnel:
Agent E. Lester, N420

Vehicle #1 information:
Make: Nissan
Model: Sentra
Year: 2011
Color: Gray
Sonora, Mexico License Plate: [redacted]
Vehicle Identification Number: [redacted]

Registered Owner of Vehicle #1:
[redacted]

Narrative: On June 19, 2025, at approximately 2033 hours, I was traveling eastbound on State Route 82 when I observed a Gray Nissan Sentra bearing [redacted] (Mexican) plates of [redacted] in front of me that was swerving.

The vehicle went off the roadway to the right side going over the white line on mile post 9 east bound. I noticed the vehicle again went off the right side crossing the white line as we continue to travel I observed the vehicle beginning to swerve left to right approximately 3 times on mile post 11. I also observed two vehicles that were traveling westbound that had to pull to the right of the road way because the Nissan Sentra went halfway on to their lane on mile post 11. Since traffic was minimal I decided to conduct my traffic stop on mile post 12 Intersection with Patagonia Lake Road since it was the safest location. While approaching mile post 12 the vehicle was going on to the middle turning lane and then off to the right side of the roadway. I then activated my red and blue emergency lights and conducted a traffic stop at the intersection of State Route 82 and Patagonia Lake Road (milepost 12.)

Once I activated my lights, the driver slammed on the breaks and went to the right side of the roadway. I then approached the vehicle and made contact with the driver who was identified by her Arizona Identification Card as [redacted] I advised her that I had stopped her due to her swerving. I requested [redacted] for the vehicle registration insurance and driver license. I then noticed there was a male lying down on the rear passenger floor behind the driver seat trying to hide. I told the male subject to show me his hands in English and in Spanish,

the male subject was not cooperative. I then drew out my department issued handgun and instructed him to show me his hands again in English and in Spanish. The male subject became compliant and showed me his hands. I instructed [redacted] to turn off the vehicle and hand me the keys. The keys were then placed on the roof of the vehicle to prevent [redacted] from leaving.

I asked [redacted] who the male subject was and why he was hiding, but [redacted] remained silent. I then opened the backseat door on the driver's side and instructed the male subject to step out. The male subject stated he was from the United States, but did not have any form of identification. I advised the Communication Division that I was going to be detaining the male subject. The United Stated Border Patrol was advised.

Shorty after, the United Border Patrol arrived on scene and advised me they confirmed that the male subject had entered and remained illegally in the United Stated. Agent E. Lester, N420, later took custody of the subject.

The vehicle was towed by Dias Towing. Refer to Sergeant Pacheco's supplemental report for further information.

No further actions were taken.

Narrative: On June 20, 2025, at approximately 0600 hours, I proceeded to coordinates 31.442530, -111.305620, which are located in the area of Tres Bellotas Road, near the border. The prior day, United States Border Patrol agents had responded to another incident and one of their agents, Cofer T280 had encountered human remains in a canyon while he was enroute.

Search and Rescue member Rafael Gracia, L29, also proceeded with me to meet with a USBP agent who would also accompany us to search for the human remains at the above coordinates. We met with Tucson USBP Agent Gourbeau, #T589, at the Arivaca Road checkpoint.
We then made our way to the location and arrived to Bonita Tank and from there we hiked to the coordinates. Upon arrival, a human skull was clearly visible in the wash area. Other human bones and a jaw bone were also located.(See uploaded photographs). We also located an old jacket, a tennis shoe, camouflaged shirt, pant, and a backpack. No identifications were located in the immediate areas after a search was conducted. A thorough search of the area was done in search of more remains. No other bones aside from what was collected was found.

The remains along with the items found were placed in a white body bag and we proceeded to hike back to our vehicles. I later met with Martinez Funeral Service who took custody of the remains and will be transporting them to the Office of the Medical Examiner in Pima County (OME). I spoke with Investigator from OME, Sonia Molina #26 and all the pertinent information was provided to

her. She also provided me with case number 25-3135. Scene photos were also e-mailed to her.

The Consulate General of Mexico in Nogales, Arizona was also contacted and I spoke with [redacted] and provided the information to him.

Narrative: On May 29, 2025, at approximately 1300 hours, I was dispatched to the Coordinates 31.49011, -111.08681 in Rio Rico, Arizona. The Santa Cruz County Sheriff's Office Communications Division (Dispatch) received a report from [redacted]

[redacted] was calling from [redacted] She said that she had coordinates for a missing male subject who has been walking in the desert. She stated that the family of [redacted] had called her and given her the information. She said that [redacted] had crossed into the USA illegally and was lost and did not want to call law enforcement for help.

The coordinates were plotted in the area of Fresno Canyon by FSR 4149. Sargent Garcia Bade No. 151 was first in the area. He then said over the radio that he could hear someone yelling for help in the area. After searching for the male subject, he was under a tree at the coordinates of 31.490870, -111.086750 around 1337 hours. [redacted] had no shirt and camouflage pants. [redacted] had been walking for 4 days and had no food or water. [redacted] could barely talk, had dry lips, and showed signs of dehydration. [redacted] was also hallucinating. He would see us and say he went to school with all of us.

Border patrol agents arrived in an ATV, and we were able to take him out of the wash closer to the units. [redacted] was placed in the Sheriff's office unit, and we drove [redacted] up the road where Rio Rico Fire was waiting to check on [redacted]

[redacted] was taken to the Holy Cross Hospital by ambulance due to his medical condition. Border Patrol Agent Beach Badge No. N81 took custody of [redacted]

Nothing further to report.

Narrative

Synopsis: This report documents a death incident which occurred on May 27, 2025, at approximately 1213 hours, in the Washington Camp area Global Positioning System (GPS) Coordinates of -110.758280, 31.417519, in Nogales, Arizona, Santa Cruz County. Santa Cruz County Sheriff's Office Deputy Jonathan Molera No. 1009, reports the following:

1. PERSONS INVOLVED:
See name involvements page

Narrative: On May 27, 2025, at approximately 1213 hours, dispatch alerted units of a male subject who was unresponsive. Dispatch advised the male subject was at GPS Coordinates -110.758280, 31.417519, in Nogales, Arizona. Dispatch advised the reporting party was attempting to perform Cardio Pulmonary Resuscitation (CPR.)

I used GPS phone application and was guided with in a quarter mile of the coordinates provided by dispatch. When arrived to the area, United States Border Patrol also arrived to the area with me. Border Patrol and I proceeded to hike up the canyon wall.

Pinal County Sheriff's Department helicopter was in the area searching for the male subject. Border Patrol advised me that a second medic was going to be lowered from the helicopter with a body bag, because the male subject had been located and was pronounced deceased by the Pinal County Sheriff's Department Medic.

I followed the Border Patrol Agent to the area where the deceased male subject was located. I met with Pinal County Sheriff's Department Medic Deputy Fowler #SAR-7 and he advised me that he was the medic who pronounced the subject as deceased at approximately 1420 hours.

I proceed to check the deceased body and saw lividity forming on his feet and side. I checked the body for identification and was able to locate a wallet in the left front pocket. Inside the wallet I found a consular identification and the subject was identified as [redacted]. The wallet and identification was placed back in [redacted] pocket. [redacted] was placed in a body bag to await extraction with the Pinal County Sheriff's Department helicopter. I was told by Deputy Fowler that [redacted] was going to be extracted to the Nogales International Airport.

I requested for a Deputy to respond to Nogales International Airport to receive [redacted] and for the on call mortuary to respond to take custody [redacted]

The Pinal County Sheriff's Department helicopter returned and extracted [redacted] to the Nogales International Airport.

Santa Cruz County Sheriff's Office (SCCSO) Deputy Zuniga #153, received [redacted] at approximately 1502 hours, and sealed the body bag at approximately 1506 hours, at the Nogales International Airport. [redacted] was turned over to Carroons Mortuary at approximately 1520 hours.

SCCSO Deputy A. Cirerol #1087, notified the office of the medical examiner, see Deputy Cirerol's supplement report for additional information.

I had no further involvement with this incident at this time.

Narrative: On May 21, 2025 at approximately 1630 hours, Deputy Rafael Lopez, badge number 121, and myself where dispatched to the following coordinates: 31.558140, -111.114530, in reference to a missing person call in which the lost individual informed he had been walking for 6 days and had no water or food. The lost individual identified himself as [redacted] to the Santa Cruz County Sheriff's Office Communication Division.

Deputy Lopez and I drove on Forest Service Road, (FSR) 4145. As it was the closest route that was going to take us to [redacted]

At approximately 1718 hours, Deputy Alexis Cirerol, Badge Number 1087 and Deputy David Monreal, Badge Number 191, responded and assisted in the search.

As we were approaching the coordinates we were informed that the coordinates had

changed and we were provided with the new coordinates, 31.558150, -111.114510, which were relatively close to the previous coordinates provided.

We drove on Forest Service Road 4145 for approximately 5 miles, until the terrain did not allow our patrol units to continue due to the extreme narrow and rocky road.

As we were driving on Forest Service Road we encountered U.S. Border Patrol Agents who where responding to the same rescue call. One of the Agents, who was riding an all terrain vehicle (ATV) and the other a pickup truck, Agent Lefeure, Badge Number B103.

As we drove on Forest Service Road [redacted] the terrain started to get more dangerous and inaccessible for the vehicles. The Agent driving the ATV, was able to get ahead, later broadcasted on the radio for us to stop driving because the road was not adequate for patrol unit to drive on it.

We were also informed by Agent Lefeure that air support was already on the way.

Minutes later two Arizona Department of Public Safety (DPS) helicopters started flying by the top of the mountain where the lost individual was located. Minutes later we were informed that there were a total of four individuals rescued and not only one.

DPS helicopters flew around for some time and after not being able to rescue the four individuals a Border Patrol Search, Trauma and Rescue (BORSTAR) helicopter arrived on scene and were able to extract the four individuals.

The four individuals were extracted from the top of the mountain and landed in a safe area near the original coordinates. The four individuals were identified and remained in Border Patrol custody for further proceedings.

The four individuals denied medical attention and I did not observe any injuries and no injuries were reported.

I will be documenting this incident on a report for a missing person recovery. A search and rescue incident will be generated by Deputy R. Lopez for this call as well.

No further action taken.

Narrative

Synopsis: This report documents an agency assist to United States Border Patrol which occurred on April 18, 2025 at approximately 1721 hours, at an abandoned residence [redacted] in [redacted] Santa Cruz County. Santa Cruz County Sheriff's Deputy [redacted] Molera No. 1009, reports the following:

1. PERSONS INVOLVED:
See name involvements page

Narrative: On April 18, 2025 at approximately 1721 hours, I was dispatched to [redacted] in reference to a suspicious vehicle. Upon my arrival I activated my body worn camera (BWC,) which was later uploaded to santacruzcountyaz.evidence.com. The following are summaries of the statements that were provided.

I met with an anonymous reporting party who advised a Grey or Blue Toyota Highlander pulled into her property and had to be asked to leave. I was advised the abandoned house under construction has been a high traffic area of illegal activity, such as alien smuggling. I was told vehicles come into the and pick up what they believe to be undocumented aliens. I was told the vehicle was still in the area, further up the street.

I proceeded to provide checks of the area for the vehicle and was not able to locate the vehicle. I then proceeded to check the abandoned residence and when I entered the residence I located three subjects who later learned to be Mexican Nationals sitting the stair well. I asked the male subjects where they were from and they told me, Mexico. I asked the subjects if they had identification and I was later provided with two Mexican voter i.d. cards. [redacted] and [redacted] were identified with their voter i.d. cards and [redacted] verbally provided his information.

Border Patrol was later called to my location and Border Patrol Agent Rider #N624 was able to confirm they were undocumented aliens. The subjects remained in the custody of Agent Rider.

I had no further involvement with this incident at this time.

NARRATIVE: On April 28, 2025, at approximately 1551 hours, while traveling East on Highway 82 by South River Road, I observed a suspicious vehicle that yielded to the median when I traveled in back of it. After vehicle passed my patrol vehicle a second time by Patagonia Lake Road, the vehicle proceeded to pull off to the side of the road again, on Highway 82, Mile Post 15, by Blue Heaven.

I followed the vehicle, bearing Arizona License plate 97A1PM, onto Blue Heaven, to confirm if the vehicle needed assistance. The driver who was later identified as [redacted], and passenger later identified as [redacted] both exited the vehicle and opened up the trunk. [redacted] grabbed a wrench each, and approached my driver and passenger side door.

I gave [redacted] instructions to stay away and get back inside his vehicle, but [redacted] insisted in remaining by the side of my door, demanding answers to why he was being stopped. At the time, I advised dispatch to route Sonoita Border Patrol, and a secondary deputy to my location. Deputy J. Molera, Badge No. 1009, arrived on scene and gathered all occupant's identification cards.

Deputy J. Molera advised that [redacted] provided a Mexican Consulate Identification and provided the identification card to United States Border Patrol Agent T. Carreon, Badge No. S241. After Agent T. Carreon conducted a records check on the id through the Federal database, it was determined that [redacted] was illegally in the United States. USBP Agent T. Carreon advised they would be taking custody of all occupants of the vehicle, including [redacted]

[redacted], the front seat passenger.

Once custody was transferred to USBP, I departed the area.

Narrative

Synopsis: This report documents an agency assist to United States Border Patrol, on April 25, 2025, at approximately 1146 hours, on [redacted] Patagonia, Arizona, Santa Cruz County. Santa Cruz County Sheriff's Office Deputy Jonathan Molera No. 1009, reports the following:

1. PERSONS INVOLVED:
See name involvements page

Traffic Violations:

1. A.R.S. 28-701.A speed greater than reasonable/prudent
2. A.R.S. 28-2155 violation one trip permit
3. A.R.S. 28-4135.A no insurance
4. A.R.S. 28-3473 suspended driver's license
5. A.R.S. 28-1595.A fail to yield law enforcement

Narrative: On April 25, 2025, at approximately 1140 hours, United States Border Patrol (U.S.B.P.) Agent Wendy #N430, requested assistance with a suspicious vehicle. I was called by U.S.B.P. Communications and advised that Agent Wendy was following a white Dodge Dakota, which was possibly loaded with illegal aliens. I was advised the Dodge Dakota was Eastbound on HWY 82, approaching the town of Patagonia. I was able to locate the Dodge Dakota entering the town of Patagonia. I was able to get into position behind the Dodge Dakota, once it left Patagonia on HWY 82 in the area of mile post 22.

The Dodge Dakota was equipped with a 3-day temporary license plate. I was able to verify the license plate with dispatch as a 3-day permit. I proceeded to conduct a traffic stop on the vehicle on HWY 82 in the area of mile post 22.9. The Dodge Dakota pulled over coming to a stop just after passing mile post 23. I approached the vehicle from the driver side and when I was approaching the rear of the Dakota it accelerated away. I returned to my vehicle and advised that the Dakota failed to yield.

I proceeded to catch up to the Dakota and the vehicle continued travel Eastbound on HWY 82 failing to stop for law enforcement. When crossing mile post 24, there were two Sonoita Border Patrol units stopped on the opposing side of the road. The Dakota then stopped and B.P. agents and myself approached the vehicle and Border Patrol agents placed the driver of the vehicle into custody, who was identified by his Arizona Identification card as [redacted] The occupants were ordered by border patrol to open the doors and were taken into custody by B.P. agents. The occupants were identified by their Mexican voter identification cards as [redacted] were identified by Border as illegal aliens.

[redacted] was placed in the back of my patrol car and he was later issued a citation for the above-mentioned violations and he was informed of his court date. [redacted] signed the citation acknowledging his court date.

[redacted] were went into Border Patrol custody, along with the Dodge Dakota that was driven.

I had no further involvement with this incident at this time.

A copy of this report will be forwarded to the Santa Cruz County Attorney's Office for review.

Narrative: On April 11, 2025, at approximately 2155 hours, I responded to [redacted] Highway 82 in Nogales, Arizona, to investigate an Agency Assist service call.

Upon arrival, I made contact with the reporting party, [redacted]. He informed me that two male subjects had knocked at his door and asked him for water. [redacted] said that he informed them that he didn't have any water to give them. Once, [redacted] said that he didn't have any water. The male subjects left towards the entrance of his property.

Once [redacted] told me what had happened, he pointed out the male subjects near the entrance, sitting on a bench under a tree. I approached the male subjects and asked them for their identification. Both subjects informed me that they didn't have a form of identification because they had entered the United States illegally and were running away from the cartels in Mexico.

The first male subject identified himself as [redacted], born [redacted]. The second subject identified himself as [redacted] born [redacted]. Both subjects claimed they were from Guadalajara, Jalisco. They informed me that they travelled to Nogales, Sonora, to buy a vehicle, but upon arrival, they were kidnapped by the Cartel and held hostage for two days. They said that they were able to runaway from the Cartel members and jumped over the border and started looking for help.

Once both subjects admitted they had crossed the border illegally, Nogales Border Patrol was contacted. At approximately 2256 hours, Border Patrol Agent Ibarra Badge N646 arrived and took custody of both subjects.

Narrative

Synopsis: This report documents a lost undocumented foreign national, which was located in the area northeast of Ramanote Peak in Rio Rico, Arizona. The incident was reported on March 15, 2025, at approximately 0916 hours. Details are as follows:

Lost Subject's Information:
[redacted]
DOB: [redacted]
Address: [redacted]

GPS Coordinates:
31.46309, -111.11150

Narrative: On March 15, 2025, at approximately 0916 hours, the Santa Cruz County Sheriff's Office Communications Division (Dispatch), informed me of a disconnected 911 call from a male subject, identified as [redacted] who was believed to be an undocumented foreign national.

Dispatch further stated as per Mr. [redacted] he has been walking for the eight days, and had not had any water for about a day. Dispatch also mentioned that Mr. [redacted] reported a leg injury.

After plotting the 911 GPS Coordinates it was discovered that Mr. [redacted] was located in the area northeast of Ramanote Peak, which consists of hazardous terrain and a mountain land landscape.

I then activated members of the Santa Cruz County Sheriff's Office Search and Rescue. Myself and Deputy R. Lopez #121 gathering some equipment and an all-terrain-vehicle, which would help us reach Mr. [redacted] s location.

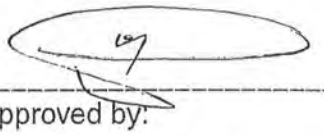

After reaching the base of the Ramanote Peak, Deputy R. Lopez and I, hiked up to the GPS Coordinates, where we then searched the surrounding area. After several minutes of searching, Deputy R. Lopez had visual of a male subject, who was further east from our location. The male subject was making his way towards or location.

Moments later, we made contact with the male subject, who turned out to be Mr. [redacted]. Mr. [redacted] seemed in good health, but did sustain a foot injury, but was able to keep walking. Mr. [redacted] was eventually escorted to the base of Ramanote Peak.

During this time, US Border Patrol Agent had also arrived and were assisting in the search for Mr. [redacted]. Mr. [redacted] was turned over to the custody of US Border Patrol Agent Bean #314 without further incident.
