

Darrell Hill [DHill@acluaz.org] by

September 21st at 5pm. **Each of the**

following questions should be answered

“yes” or “no.”

**2022 Arizona Secretary of State
General Election ACLU Arizona
Candidate Questionnaire**

Please return this questionnaire to

Candidates who do not return the survey will have their response to each question marked as “no.”

1. If elected, do you commit to advocating for Election Day and automatic voter registration, eliminating unnecessary barriers for Arizonans?

YES NO

2. If elected, do you commit to expanding language access to the ballot by providing election materials in multiple languages?

YES NO

3. Almost 2.5 million early ballots were received in the 2020 election. If elected, do you commit to protecting Arizona’s no-excuse mail-in voting?

YES NO

4. Voter intimidation can take many forms, from spreading misinformation about elections to impersonating law officers to harass voters. If elected, do you commit to preventing voter intimidation?

YES NO

5. Third parties have been allowed to view private voter information in Arizona and other places across the country. If elected, do you commit to protecting voter privacy and ballot secrecy for all Arizonans?

YES NO

6. If elected, do you commit to consulting with Tribes about elections and expanding access to voting for Native American voters?

YES NO

7. If elected, do you commit to administering and counting the ballots in a nonpartisan manner with equal access to the results?

YES NO

8. Studies have shown that voter fraud is rare and does not affect the outcome of elections. If elected, do you commit to certifying the 2024 presidential candidate that receives the most votes as the winner of the election?

YES NO

9. The Secretary of State's Office administers citizen ballot initiatives, on a myriad of issues including voting rights, abortion and police reform. If elected, do you commit to administering citizen initiatives in a non-partisan, bias-free manner?

YES NO
