I, Mikkel Jordahl, hereby declare and state as follows:

1. I am a resident of Sedona, Arizona.
2. I am the sole owner of a law firm, Mikkel (Mik) Jordahl, P.C., which has contracted with the Coconino County Jail District (“County”) to provide legal services to inmates for the past twelve years.
3. In my capacity as an individual consumer, I participate in a political boycott of consumer goods and services offered by businesses supporting Israel’s occupation of the Palestinian territories. My boycott participation currently does not extend to my law firm’s consumer choices or activities.
4. I object to having to sign a certification on behalf of my firm stating that it does not participate in a boycott of Israel or Israeli settlements in order to contract with the County. In 2016, I signed the certification included with my contract under protest. I have not signed the certification included with the renewal for my contract, and I do not want to sign it.

My Boycott Participation

5. I come from three generations of Lutheran ministers, including my father, two uncles, both grandfathers, and one great grandfather.
6. I first became interested in the Israeli-Palestinian conflict when I spent three months with my parents in the occupied West Bank in 1977. At the time, I was in college and my parents were living in the West Bank for the year. My parents and I were all profoundly affected by what we saw in the occupied Palestinian territories. Upon my return from that trip, I established the Oberlin College chapter of the Palestine Human Rights Campaign.
7. My son was raised Jewish. He and I took a trip to Israel and Palestine in the spring of 2017, after his Bar Mitzvah. We met with many Arab and Jewish people in Israel and the West Bank. We were disheartened to hear many people express the opinion that Israeli settlements in the occupied Palestinian territories would prevent an end to the

occupation. Many of the Palestinians we met expressed no hope that they would ever receive equal rights in the occupied territories.

8. I remain active in my advocacy against both the occupation and the settlements, which I believe violate the human rights of Palestinians. I have written to my elected representatives to express my opposition to the Israeli occupation and settlements, and have asked my representatives to reduce funding to Israel in an amount proportional to Israeli spending on settlements in the occupied Palestinian territories.

9. I have been moved by the “Peace Not Walls” campaign of the Evangelical Lutheran Church (“ELCA”), which seeks to promote the “equal human dignity and rights for all people in the Holy Land” and “an end to Israeli settlement building and the occupation of Palestinian land.” The campaign calls on individuals to “invest in Palestinian products to build their economy and to utilize selective purchasing to avoid buying products” made in Israeli settlements in the occupied Palestinian territories.

10. I am a non-Jewish member of Jewish Voice for Peace (“JVP”), which works “for a just and lasting peace according to the principles of human rights, equality, and international law for all the people of Israel and Palestine.” JVP endorses the call from Palestinian civil society for Boycott, Divestment, and Sanctions campaigns to protest the Israeli government’s occupation of Palestinian land.

11. In conjunction with the ELCA and JVP calls for boycott, I personally boycott consumer goods and services offered by businesses supporting Israel’s occupation of the Palestinian territories. I participate in this boycott in order to protest both the occupation and the settlements.

My Firm’s Contract with the County

12. For the past twelve years, my firm has maintained a contract with Coconino County Jail District. My firm provides legal advice to inmates in the County regarding issues like conditions of confinement, civil rights, extradition, and habeas corpus.

13. My boycott participation has no bearing on my provision of legal services to inmates. Neither I nor my firm do, or would ever, discriminate against clients or employees based on their nationality or any legally protected characteristic.

14. Over the twelve years of our relationship, my firm and the County have entered into at least four contracts. Each one has governed my provision of legal advice to inmates in the County for a multi-year period, typically four years. Over that time, we have regularly renewed the contract each year. At the conclusion of the multi-year period, the County has opened up the contract for bids from all contractors. I have bid each time, and the County has selected me to provide these services at least four times.

15. We entered into our current contract in November 2016. It is for a multi-year period, with annual renewals. Under the contract, my firm receives a monthly payment of \$1,533, or more than \$18,000 per year. This represents approximately 10 percent of my annual income.

16. When my firm and the County were entering into the current contract, an official from the County asked me to sign not only the standard paperwork, but also a new form entitled "Certification Pursuant to A.R.S. § 35-393.01."

17. I read the certification and saw that it stated, "Pursuant to the requirements of A.R.S. § 35-393.01(A), the Independent Contractor hereby certifies that the Independent Contractor [and its subsidiaries, parent companies, or affiliates are] not currently engaged [nor shall engage] in a boycott of Israel." A true and correct copy of the Certification is attached as Exhibit 1.

18. I was extremely surprised by this new requirement. Because I believed it to be unconstitutional, I strongly opposed signing the certification. At the same time, I feared losing the contract, which represents a substantial portion of my income, and I wanted to continue providing my services to the County.

19. On October 14, 2016, I signed the certification under protest. I returned the signed certification to an official with the County. I also sent a copy of the signed form to

Rose Winkeler, Deputy County Attorney of Coconino County, along with a letter entitled “Re: Israel Boycott Addendum to Inmate Civil Rights Advising Contract.” A true and correct copy of the Signing Under Protest Letter is attached as Exhibit 2.

20. In the letter, I voiced my strong opposition to the certification. I wrote, “I understand this is a new state law and the county is bound to follow it. I will comply as long as the law is in effect, however I wanted it on record that I strongly oppose the law as I believe it is an unconstitutional violation of the 1st Amendment. I do reserve my right to challenge the law in the courts.”

21. In my letter, I also clarified that I signed the certification “in my capacity as a sole-proprietor contractor on behalf of my professional corporation and not in my personal capacity unrelated to any government contract.” And I specified that I interpreted “the term ‘affiliate’ . . . to apply only to formal business relationships.”

22. The County accepted my signed certification. Our contract commenced on November 10, 2016. A true and correct copy of the Contract is attached as Exhibit 3.

The Certification’s Effects on My Boycott Participation

23. Because of the certification, I have been careful to separate my personal boycott participation from the operation of my firm, which currently does not participate in my boycott of consumer goods and services offered by businesses supporting Israel’s occupation of the Palestinian territories.

24. Were it not for the Act’s certification requirement, I would extend my personal boycott participation to my firm’s consumer choices. For example, I would refuse to purchase Hewlett Packard equipment for my firm because of Hewlett Packard’s provision of information technology services used by Israeli checkpoints throughout the West Bank.

25. I have also been careful not to use my firm to support or affiliate with entities participating in boycotts of Israel or Israeli settlements. JVP, which employs boycott, divestment, and sanctions tactics to put political pressure on Israel, has asked my

firm to contribute office support and financial contributions to its boycott activities. Though I want to say yes, I have rejected these requests in order to comply with the certification.

26. Were it not for the certification requirement, my firm would provide support services and financial contributions, as well as pro bono legal services, to JVP and other boycott participants.

27. Although I do not understand the certification to apply to my personal activities, I reasonably fear that vocal advocacy about my personal boycott participation would lead to suspicion about whether my firm is complying with the certification. As a result, I feel chilled from publicly promoting or discussing my personal boycott participation.

2017 Certification Requirement

28. On November 14, 2017, I received a letter from the County regarding the regular, annual renewal of the contract. The letter, signed by Kathleen Levinson, the Administrative Manager of Coconino County Sheriff's Office, asked me to sign and notarize the enclosed "agreement[] approved by [the County's] Board of Directors." After the request, Ms. Levinson wrote, "We look forward to our continuing partnership." A true and correct copy of the County Letter is attached as Exhibit 4.

29. I read the enclosed agreement. It stipulated to a one-year renewal of our existing contract; it did not change the contract's scope or compensation. A true and correct copy of the Contract Renewal is attached as Exhibit 5.

30. The enclosed agreement also included another Certification Pursuant to A.R.S. § 35-393.01, which was substantially unchanged from the certification I signed under protest in 2016.

31. I object to signing the certification. I continue to view it as a violation of my First Amendment rights, and I have spent the last year experiencing its chilling

effects, as described above. As a result, I have not signed and returned the 2017 agreement.

32. Although I do not want to sign the certification, I would otherwise like my firm to continue providing legal services under contract with the County.

Pursuant to 28 U.S.C. § 1746, I hereby declare and state under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information, and belief.

DATED this 7th day of December, 2017.

CERTIFICATION PURSUANT TO A.R.S. § 35-393.01

In support and furtherance of that certain second amendment to "Independent Contractor Agreement" by and between MIKKEL (MIK) JORDAHL, P.C., an Arizona corporation, of P O Box 4156, Sedona, AZ 86340 (hereinafter the "Independent Contractor"), and COCONINO COUNTY JAIL DISTRICT, a political subdivision of the State of Arizona, of 219 East Cherry Avenue, Flagstaff, Arizona 86001 (hereinafter the "County"), and dated as of September 6, 2016 (hereinafter referred to as the "Agreement"), Independent Contractor provides the following certification:

WHEREAS Arizona state law requires, as a condition of doing business with the State of Arizona and/or any of its political subdivisions, that all service contracts entered into by the State be supported by a certification of the proposed independent contractor that satisfies the requirements of A.R.S. § 35-393.01(A) with regard to boycotts of Israel; and

WHEREAS the above-referenced Agreement constitutes a contract for services,

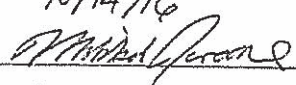

NOW THEREFORE, pursuant to the requirements of A.R.S. § 35-393.01(A), the Independent Contractor hereby certifies that the Independent Contractor is not currently engaged in a boycott of Israel. The Independent Contractor further certifies that no wholly owned subsidiaries, majority-owned subsidiaries, parent companies, or affiliates of the Independent Contractor (if any) are currently engaged in a boycott of Israel. Independent Contractor further and additionally agrees that for the duration of this Independent Contractor Agreement, neither Independent Contractor, nor any wholly owned subsidiaries, majority-owned subsidiaries, parent companies, or affiliates of Independent Contractor (if any) shall engage in a boycott of Israel.

For purposes of this certification, "boycott of Israel" shall mean engaging in a refusal to deal, terminating business activities, or performing other actions that are intended to limit commercial relations with Israel or with persons or entities doing business in Israel or in territories controlled by Israel, if those actions are taken either: (a) in compliance with or adherence to calls for a boycott of Israel other than those boycotts to which 50 U.S.C. § 4607(c) applies; or (b) in a manner that discriminates on the basis of nationality, national origin or religion and that is not based on a valid business reason.

This Certification is hereby adopted as an integral and substantive part of the Agreement, and irrevocably supplements the terms thereof. Any violation of this Certification by the Independent Contractor shall constitute an event of material breach of the Agreement.

Re: Israel Boycott Addendum to Inmate Civil Rights Advising Contract

Dear Rose,

I recently signed the renewal of the Inmate Civil Rights Advising contract. I have really enjoyed providing services and solving problems under this contract and hope to continue to do so over the next four years.

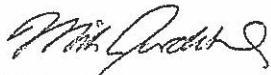

I was extremely surprised to see the one page Addendum attached to the contract related to boycotts of Israel. (A signed copy of the addendum is attached). I understand this is a new state law and the county is bound to follow it. I will comply as long as the law is in effect, however I wanted it on record that I strongly oppose the law as I believe it is an unconstitutional violation of the 1st Amendment. I do reserve my right to challenge the law in the courts.

I wanted to clarify that I sign the addendum in my capacity as a sole-proprietor contractor on behalf of my professional corporation and not in my personal capacity unrelated to any government contract. I am also interpreting the term "affiliate" in the addendum and the law to apply only to formal business relationships.

I am sending the original signed addendum to Kathleen Williamson for her records.

If you have any questions or concerns please do not hesitate to call.

Sincerely,

INDEPENDENT CONTRACTOR AGREEMENT (hereinafter the "Agreement") made this 10th day of NOVEMBER, 2016,

BETWEEN

MIKKEL S JORDAHL, an Arizona corporation, of P O Box 4156, Sedona, AZ (hereinafter the "Independent Contractor"),

AND

COCONINO COUNTY JAIL DISTRICT, a tax levying public improvement district organized and established for the purpose, among others, of providing for in-custody detention and inmate-correctional housing in a County Detention Facility pursuant to A.R.S. § 48-4001 *et seq*; and thereby enable and enhance the duly-elected Sheriff's ability to take charge of and keep the County Detention Facility pursuant to A.R.S. § 12-441(A)(5), of 219 East Cherry Avenue, Flagstaff, Arizona 86001, (hereinafter the "District"),

WHEREAS:

- A. The District operates the Coconino County Detention Facility (hereinafter the "Jail") pursuant to A.R.S. § 48-4002(D); and
- B. The District has a need for an Independent Contractor (IC) to provide inmates in the Jail with access to the courts by engaging an attorney for that purpose, as described in RFP 2016-106 (hereinafter "Services"); and
- C. The Independent Contractor is licensed to practice law in Arizona and is ready, able and willing to supply the desired legal services; and
- D. The District wishes to contract with the IC on the terms and conditions set out in this Agreement;

THEREFORE, in consideration of their mutual promises set out herein, the Independent Contractor and the County agree as follows:

I. Scope of Work

The Independent Contractor will meet with inmates in the Jail as required in order to provide those inmates with meaningful access¹ to the courts as described in Bounds v. Smith, 430 U.S. 817, 52 L.Ed.2d 72, 97 S. Ct. 1491 (1977) and Lewis v. Casey, 518 U.S. 343, 135 L.Ed.2d 606, 116 S. Ct. 2174 (1996), on matters including:

- a. petitions for a writ of Habeas Corpus,

¹ "Meaningful access" anticipates advice, document preparation and access to legal materials, but not direct representation in the courts.

- b. challenges to the inmate's conditions of confinement under 42 U.S.C. § 1983, and
- c. extradition.

District understands that Independent Contractor is employed as a prosecutor for Yavapai County, Arizona. If the Coconino County Detention Facility inmate needing services as described herein is in jail on a probation revocation based on a crime that the Independent Contractor prosecuted, the Independent Contractor will provide another attorney to provide services to the inmate.

II. Compensation

The District will pay to the Independent Contractor the sum of One Thousand Five Hundred Thirty-Three Dollars (\$1,533.00) for each month during the term of this Agreement in exchange for the legal service described in Paragraph I, above, as required by inmates in the Jail during that month.

I. Term of Agreement

The term of this Agreement shall be from the date of approval by the Board of Supervisors through June 30, 2017. This agreement may be renewed for two additional one-year terms upon mutual agreement of both parties.

II. Termination of Agreement

Either party may terminate this Agreement, with or without cause, by giving thirty (30) days written notice to the other party. In that event, the terminate date shall be the thirtieth (30th) day after furnishing proper notice to the other party. The Independent Contract shall be paid for any work completed up to the date written notice of termination is sent to the other party by first class mail.

III. Insurance

The Independent Contractor will provide and maintain and cause its sub-contractors to provide and maintain appropriate insurance acceptable to the County.

A. In no event will the total coverage be less than the minimum insurance coverage specified below:

- i. Commercial General Liability occurrence version in an amount not less than One Million Dollars (\$1,000,000) per occurrence/Two Million Dollars (\$2,000,000) aggregate. The policy shall include coverage for bodily injury, property damage, personal injury, and products and completed operations and shall include the following;

General Aggregate	\$2,000,000
Products/Completed Operations Aggregate	\$2,000,000
Personal and Advertising Injury	\$1,000,000

Fire Legal Liability	\$50,000
Each Occurrence	\$1,000,000

- ii. Automobile Liability in an amount not less than State of Arizona requirements.

- B. The Independent Contractor will name the County, its agents, officials, employees and volunteers as additional insureds for general liability including premises/operations, personal and advertising injury, products/completed operations, and as additional insured for automobile liability, and will specify that the insurance afforded by the Independent Contractor is primary insurance and that any insurance coverage carried or self-insurance by the County, any department or any employee will be excess coverage and not contributory insurance to that provided by the Independent Contractor. Said policies must contain a severability of interest provision. County reserves the right to continue payment of premium for which reimbursement will be deducted from amounts due or subsequently due Independent Contractor.
- C. If a policy does expire during the life of the Contract, a renewal certificate must be sent to the County fifteen (15) days prior to the expiration date.

Upon the execution of this Agreement by the Independent Contractor, the Independent Contractor will furnish the County with copies of the Certificates of Insurance drawn in conformity with the above insurance requirements. The County reserves the right to request and receive certified copies of any or all of the above policies and/or endorsements. Failure on the part of the Independent Contractor to procure and maintain the required liability insurance and provide proof thereof to the County within ten (10) days following the commencement of a new policy, will constitute a material breach of the Agreement upon which the County may immediately terminate the Agreement.

Agreement. A Certificate of Insurance for workers' compensation coverage, or Sole Proprietor Waiver, will be provided within ten (10) days of signing this Agreement. The Independent Contractor's obligations under this paragraph do not extend to any liability caused by the sole negligence of the County or its employees.

C. The independent contractor will be solely responsible for offering health insurance to its employees as required by the Affordable Care Act, and for any penalties charged to it by the Internal Revenue Service for noncompliance with the Affordable Care Act.

A. The Independent Contractor and each of its subcontractors warrant their compliance with all federal immigration laws and regulations that relate to their employees and their compliance with A.R.S. § 23-314(A).

B. A breach of warranty under paragraph (a) above shall be deemed a material breach of the contract and is subject to penalties up to and including termination of the contract.

C. The District retains the legal right to inspect the papers of the Independent Contractor or an of its subcontractors who work on the contract to ensure that Independent Contractor or its subcontractor(s) is complying with the warranty provided under paragraph (a) above.

D. False certifications may result in the termination of this contract.

VIII. Non-Appropriation of Funds

Notwithstanding any other provisions in this Contract, this Contract may be terminated if the District's governing body does not appropriate sufficient monies to fund its obligations herein or if grant funds are terminated or reduced for the purpose of maintaining this Contract. Upon such termination, the District shall be released from any obligation to make future payments and shall not be liable for cancellation or termination charges.

IX. Amendment and Entirety of Contract

This document constitutes the entire agreement between the parties with respect to the subject matter hereto and supersedes all previous proposals, both oral and written, negotiations, representation, commitments, writings, agreements and other communications between the parties. It may not be changed or modified except by an instrument in writing signed by a duly authorized representative of each party.

X. Records

The Independent Contractor will:

A. Submit all reports and invoices specified in this Agreement.

B. Retain and contractually require each subcontractor to retain all data and other records relating to the acquisition and performance of this Agreement (hereinafter the "Records") for a period of (5) years after the termination or completion of this Agreement. If any litigation, claim, dispute or audit is initiated before the expiration of the five (5) year period, the Records will be retained until all litigation, claims, disputes or audits have been finally resolved. All Records will be subject to inspection and audit by the District at reasonable times. Upon request, the Independent Contractor will produce a legible copy of any or all Records.

XI. Approval by the District

Before this Agreement can become effective and binding upon the District, it must be approved by the District Board of Supervisors. In the event that the Board of Supervisors fails or refuses to approve this Agreement, it will be null and void and of no effect whatsoever.

XII. Waiver

The failure of either party at any time to require performance by the other party of any provisions hereof will in no way affect the party's subsequent rights and obligations under that provision. Waiver by either party of the breach of any provision hereof will not be taken or held to be a waiver of any succeeding breach of such provision or as waiver of such provision itself.

XIII. Non-assignment

This Agreement is non-assignable. Any attempt to assign any of the rights, duties or obligations of this Agreement is void.

XIV. Cancellation of Agreement

This Agreement may be cancelled by the District pursuant to A.R.S. § 38-511.

XV. Non-discrimination

The Independent Contractor will comply with State Executive Order No. 2009-09 and all other applicable Federal and State laws, rules and regulations prohibiting discrimination.

XVI. Notice

Any notice given in connection with this Agreement must be given in writing and delivered either by hand to the party or by certified mail-return receipt to the party's place of business as set forth above.

XVII. Choice of Law

Any dispute under this Agreement or related to this Agreement will be decided in accordance with the laws of the State of Arizona.

XVIII. Severability

If any part of this Agreement is held to be unenforceable, the rest of the Agreement will nevertheless remain in full force and effect.

XIX. Authority

Independent Contractor warrants that the person signing below is authorized to sign on behalf of Independent Contractor and obligate Independent Contractor to the above terms and conditions.

The block contains a handwritten signature and a circular stamp. The signature is written in ink and appears to be "J. J. [illegible]". The circular stamp is a seal, likely from a government or official entity, with some text around the perimeter that is difficult to read.

IN WITNESS WHEREOF the parties hereto have executed this Agreement as of the date hereinbefore indicated.
